1 NAV has the same meaning as NAV under the indenture governing PSH’s 5.500% Senior Notes due 2022 (the “Indenture”).

2 For purposes of this report, “Total Indebtedness”, “Total Capital” and “Total Indebtedness to Total Capital Ratio” have the meaning given to these terms under the Indenture. As defined in the Indenture, “Indebtedness” reflects indebtedness (i) in respect of borrowed money, (ii) evidenced by bonds, notes, debentures or similar instruments or letters of credit (or reimbursement agreements in respect thereof), (iii) representing capital lease obligations, (iv) representing the balance deferred and unpaid of the purchase price of any property or services (excluding accrued expenses and trade payables in the ordinary course of business) due more than one year after such property is acquired or such services are completed or (v) in respect of PSH’s capital stock that is repayable or redeemable, pursuant to a sinking fund obligation or otherwise, or preferred stock of any of PSH’s future subsidiaries. “Indebtedness” does not include, among other things, PSH’s NAV attributable to any management shares (whether or not the management shares are accounted for as liabilities) or hedging obligations or other derivative transactions and any obligation to return collateral posted by counterparties in respect thereto. Under the Indenture, the amount of any Indebtedness outstanding as of any date is the principal amount thereof. “Total Indebtedness” reflects the total amount of Indebtedness of PSH and its consolidated subsidiaries (if any), plus, in respect of unconsolidated subsidiaries and affiliated special investment vehicles (“SPVs”) (if any), the amount of Indebtedness of the relevant subsidiary or affiliated SPV on a proportionate basis. Under the Indenture, Total Indebtedness excludes margin debt that does not exceed 10% of PSH’s Total Capital. “Total Capital” reflects the sum of PSH’s NAV and its Total Indebtedness.
